Help Jeremie Fight For You  
[electjeremie.com](http://electjeremie.com)

Jeremie has been speaking for us in Olympia for five years, looking out for our interests and representing our values. Jeremie is a strong voice for the people of the 15th District, not for the party bosses or bureaucrats in Olympia and Seattle. He grew up here and is raising his family here. He loves and understands Central Washington.

Jeremie works hard to make Washington State a better place for all of us. He is a strong advocate for conservative, small-government principles.

- ✓ **Lower Taxes**  
The Seattle-based efforts to increase property taxes and expand a state income tax should be blocked.
- ✓ **Smaller, Smarter Government**  
State government should focus on core functions like basic education, public safety and infrastructure. Families, individuals and local communities should be in charge of everything else.
- ✓ **Helping Veterans**  
We have an obligation to help those in need, especially if they served in the U.S. Armed Forces.
- ✓ **Conservative Values**  
Dufault wants to put his common-sense conservative values, business experience and service background to work representing you in Olympia.

Now a Lt. Colonel in the US Army Reserve, Jeremie served his country as a military lawyer in both Afghanistan and Kuwait. (Neither the Department of Defense nor the US Army endorse candidates for public office.)
